

Club de Español offers a wide variety of accommodation options to satisfy any student's needs. All accommodations are carefully chosen: they are clean, safe, and accessible to public transportation. Club de Español is committed to ensuring you enjoy your stay in Madrid!

Option 1 - Home Stay:

Living with a Spanish family is one of the best ways to achieve total immersion in Spanish language and culture (not to mention food) and practice what you learn in class. Spanish families are welcoming and informal, and our host families are carefully chosen to ensure a great experience in an authentic Spanish environment. All families are within Madrid proper, ensuring easy transportation to and from the school. In some cases there may be 2 or 3 students in a particular family. Students can choose between a single or double bedroom, as well as among a number of meal plans. In some cases the student may have an en-suite bathroom, for which there will be no extra charge. All prices except those for self-catering accommodation include laundry service by the host family.
